

# Fight Club

The goal of FC is to make reproducing disciples who live out their missional call, hearing from the Father and joining Jesus in His work in the world through the empowerment of the Holy Spirit.

## 20 Minutes: Discuss some of the following questions at each meeting:

1. Are you feeling defeated in any area of life?
2. What do you find yourself daydreaming or fantasizing about?
3. Where do your thoughts drift when you enter social settings?
4. What lies do you find yourself subtly believing that undermine the truth of the gospel?
5. Where have you made far too much of yourself and little of God?
6. Is technology interrupting your communion with God, family, or work/school? How?
7. Has work been an unhealthy source of significance in your life this week?
8. Is there anyone you fear, dislike, publicly criticize, or hold resentment toward?
9. What fears have kept you from resting in Christ?
10. Have you considered God in all the ways you've spent money this past week?
11. What have you done this past week to show love to your wife?
12. Have you been a spiritual leader in your home this past week? How so?
13. Have you looked to porn rather than to Jesus to find pleasure this past week?
14. How has your prayer time been this past week? 15. Are you getting enough rest?
